WORLDLY FLAVOURS

the Traveller

The Traveller is an internationally oriented restaurant concept created by Michiel Deenik, head chef and owner of the restaurants Visaandeschelde and The Traveller in Amsterdam.

The Traveller's culinary journey starts here, in the green heart of Cumulus Park, in Amsterdam Zuidoost. The Traveller Zuidoost is located in a unique and distinctive pavilion with an abundance of light, colourful interior, a large outdoor seating area and an Upper Deck floor to accommodate groups. Step inside The Traveller at any time of the day as we are open from early morning until late at night. ¿Hablas español?...our staff is also international.

The menu features a mix of the tastiest traditional dishes prepared in our ultramodern open kitchen. Several plates are to be shared, in keeping with the food culture in different countries. In addition, the extensive drinks menu is internationally oriented with "special" beers, wines from all continents, exciting cocktails, G&T's and much-much more.

Cumulus park was developed in collaboration with the municipality of Amsterdam on the Bijlmerdreef in Amsterdam Zuidoost. In this green park that connects all offices, The Traveller is the culinary heart and meeting place. A first-class place for employees at Cumulus Park, students, entrepreneurs and also local residents and shoppers. Come in for a titillating breakfast, salad, bowl, lunch, share-plate dinner or for a pick-me-up bar bite. We're easy!

The distinctive building is designed by Powerhouse Company and developed by OVG Real Estate and G&S Realtors. Together with the architect, Studio BvanB created the interior design. With the imposing glass front with rounded corners, a striking wooden roof and a surface area of more than 900 m², the building can be called iconic.

The Traveller concept is the brainchild of Michiel Deenik, chef and owner of restaurant Visaandeschelde. Together with Neal Valentijn and Lisa Bakker, he embarked on the adventure, inspired by their shared passion for travel and the exciting flavours of world cuisine. The Traveller is also the ideal location for your birthday celebration, an anniversary, a private dinner, meeting, reception, cocktail party, walking dinner and much more. composed for the purpose. Our Sales & Marketing Coordinators would be happy to listen and share thoughts with you and consider what is possible.
